TO: Mayor and Council

FROM: Caitlin Fox, Community Recreation Coordinator

RE: **Updates to the Wadena Community Legion Hall and Recreation Centre Rental Contracts**

ISSUE:

The contracts must go through a review and make changes to correctly reflect the current expectations of renters

BACKGROUND:

With the re-open of the province, we are having a lot more bookings in the Town of Wadena facilities thus meaning that all of the contracts need to be reviewed and changed to reflect the current situation of the facilities.

ALTERNATIVES:

- 1) Council can approve the Wadena Community Legion Hall and the Recreation Centre contract as they are presented
- 2) Council can deny the updates to the contracts
- 3) Council can make changes to the contracts

FINANCIAL IMPLICATIONS:

None that would directly affect the Town of Wadena.

ADMINISTRATIVE RECOMMENDATION(S):

“THAT Council approves the Wadena Community Legion Hall and Recreation Centre Rental Contracts as they stand”.

CANCELLATIONS

Town of Wadena may cancel ice time at any time in the event of tournaments, special events and playoff games. When possible, Town of Wadena and the CRC will notify the affected user group 48 hours prior to the affected booking. Any cancellations caused by weather, power failure, act of God or business interruption caused by mechanical failure of the Wadena Recreation Centre facilities will be considered unavoidable and the representative will not be charged for cancellations of that nature.

Cancellations of less than 48 hours in advance will be subject to a cancellation fee equal to 50% of the regular or off-season hourly rental rate for the total hours booked for the cancelled event. If the cancellation is within reason and outside of the booker's control, subject to the approval by Town of Wadena, the cancellation fee may be waived. The ONLY exception to this rule will be playoff ice where the possibility of requiring an extra game depends on if the team wins or loses.

COMMUNICATION

It is the responsibility of the renter to notify Town of Wadena and the CRC if a booking is for a practice, game or other event – this is to ensure appropriate staff for flooding and proper maintenance of the facility.

Rec Centre

It is understood that booking of the ice/rink includes use of the ice/rink surface, bathrooms and lobby as well as designated dressing rooms, if applicable. Ice/rink bookings, with the exception of tournament bookings, do not include use of the Mezzanine, which must be booked separately. Wadena Minor Hockey and Skating Clubs may receive Mezzanine use free of charge for a year-end party on an "as needed/as requested" basis; Mezzanine use must still be booked with the Director, and any applicable deposits may still be charged. It is Council's direction that rates be set to enable a 75% user pay cost recovery at the Rec Centre. The remaining burden on the tax base may be reduced by the revenue from the sale of advertising space and fundraising events.

Dressing Rooms

All users are required to vacate dressing rooms no later than one hour after games/practices unless authorization has been granted.

RE: **Town of Wadena Purchase Order Process Change**

ISSUE:

The current process of purchase orders for purchasing authorization is posing issues and we would like to make changes to the process.

BACKGROUND:

The process of the purchases orders was implemented to regulate spending, but it has become more of an issue with efficiency with tasks being done. Currently if someone is wanting to purchase an item they would have to go to a manager and ask for them to do a PO for them including the item, and what store they will be purchasing items from. The manager then must go through the budget to make sure there is money to send in this area, once this has been determined then the manager has to go through the whole purchase order system and add it there. Once this is done the PO can be printed out and handed to the individual doing the purchasing. Once the individual has finished purchasing the item, they must return the receipt and the paper PO to the manager or foreman. Then it goes through a process in the office as well to ensure payment on charge accounts are paid.

ALTERNATIVES:

- 1) What is Council's view on a new system?
- 2) Council can approve the new system
- 3) Council can deny the new system proposal

FINANCIAL IMPLICATIONS:

This would mean for managers to follow the budget closer and make sure the purchases that are being made are necessary.

ANALYSIS:

The new system would be that there are only certain people who can make purchases up to \$75.00 per purchase and all of the business would be receiving a letter, drafted in this report, that outlines the process that we will be following now. All purchases would have to be communicated to and reviewed by a corresponding manager; the receipt process would stay the same. The implementation of this process would create less paperwork and would mean more efficiently completed tasks.

ADMINISTRATIVE RECOMMENDATION(S):

"THAT Council approves the purchase order process as outlined".

Dear Business,

The Town of Wadena Staff and Council has decided to move away from the numbered purchase orders that are brought to you every time a staff member is wanting to purchase an item.

From now on purchases will be limited to \$75.00 per purchases and purchases can only be made by Laurie Rudolph, Alyshia Neuman, Caitlin Fox, Melvin Strand, Joel Simpson, and Clint Raddysh. All purchases will be communicated to and reviewed by the corresponding manager before the purchase is made to ensure all purchases are being made with the budget in mind. Staff would still be taking a copy of the receipt when making a purchase.

This change will create more efficient work plans and make processes faster thus making room for more tasks to be completed.

Staff will be instructed on this new process and if there are any issues with a Staff member all businesses are to contact the Town of Wadena Office or the Works and Operations Manager at 306-338-7572.

If you have any questions or concerns please call the Town of Wadena Office.

Thank you,

Town of Wadena Staff and Council

RE: **Wadena School of Dance “Sport Floor” Installation**

ISSUE:

The Wadena School of Dance would like to up a “sports floor” on the floor on the stage in the Community Legion Hall.

BACKGROUND:

Wadena School of Dance would like to add a click in “sports floor” to the stage floor at the Hall. They find the floor very slippery, and it poses issues to the dancers slipping on the floor and causing issues. The floor is explained to be easy to put in and keep clean. They will be able to remove it if there is another function happening at the Hall.

ALTERNATIVES:

- 1) Council can approve the request
- 2) Council can deny the request
- 3) What would Council like to see included in the contract?

FINANCIAL IMPLICATIONS:

None that would directly affect the Town of Wadena as the Town would not be held liable for damages or putting the floor down or taking it up.

ANALYSIS:

The floor would be a benefit to many groups in the community that use the Hall. This would have to be drafted in a contract to ensure the Town of Wadena is not held liable for damages, cleaning, installation, removal, or any costs for the floor.

ADMINISTRATIVE RECOMMENDATION(S):

“THAT Council approves the Wadena School of Dance to install the floor to the stage at the Wadena Community Legion Hall with a contract to be signed by both parties”.

Wadena School of Dance Letter and Pictures

August 10/2021

Dear Town of Wadena,

I am writing on behalf of Wadena School of Dance executive regarding the stage flooring at the hall. We have purchase flooring called "sport floor" and are seeking approval from the town to give us permission to lay it for our dance season. I have attached information about the flooring and a picture to show what it looks like.

If Wadena School of Dance is approved to use the flooring, we do not hold the Town accountable for any damage to it. As you will see it is very easy to install and remove. In the event the flooring needs to be removed, it easily comes apart and stacks neatly, we just ask for a couple days notices if needed to be removed. We have the cleaning products for the flooring (our expense). It only needs to be washed once a month with product. This flooring will be a great improvement for all clubs utilizing this space. In the past we have had injuries on the stage floor due to it being dirty and very slippery. This flooring is used in all kinds of sports centres to ensure safety of athletes. We would like to get the flooring installed within the next 2 weeks.

If you have any questions, please contact Crystal Rorquist (327-7155)

Respectfully submitted,

Crystal Rorquist

Many of our customers have children that attend dance classes at facilities where our floors are installed. As the kids get older, they want to practice at home on the same type of floor that their dance school uses. Or maybe you want to create your own home gym and exercise area? Sport Court floors are perfect for either application.

Our Response™ & Defense™ floor tiles are very popular for use as dance floors for all types of dance including tap, jazz, hip hop and ballet. Tap dancers especially love the sound our floors give them as they dance. The floor simply snaps together and can be placed directly over existing *thin* carpet, hardwood floors, or concrete. The same tiles can be used for home gyms and exercises rooms. The tiles are easily installed by anyone in only a few hours for a large area... which saves YOU money!

Our internationally patented design reduces lateral trauma on stops, starts and jumps and helps reduce injuries to ankles, knees, lower back and shins. No other modular floor system offers this level of comfort and protection from injury. It's no mystery why many pro athletes have Sport Court floors in their own homes. Sport Court floors are the only floors that are used and endorsed by almost every major sports organization in the world.

Garage Dance Studio, Calgary, Alberta - 2011

You can choose from up to 16 different colours in both our regular Response and Defense tiles.

RE: Caitlin going to the Arena Operators Level 1

ISSUE:

Caitlin would like to go to the Arena Operators course September 1st to 2nd. Due to the nature of only being here until January she would like to see if Council would allow her to pay for it herself and use vacation time to go to this course.

BACKGROUND:

The course is taking place in Creighton this year on September 1st to 2nd. This course would allow Caitlin to help in the ice plant.

ALTERNATIVES:

- 1) What is Council's view on letting Caitlin go to the course and taking vacation time to do so?
- 2) Council can approve Caitlin going to the course with no cost to the Town
- 3) Council can choose other alternatives
- 4) Council can deny Caitlin from taking vacation time to go to this course.

FINANCIAL IMPLICATIONS:

None to the Town as Caitlin would pay for the course herself as well as any other costs.

ADMINISTRATIVE RECOMMENDATION(S):

"THAT Council approves Caitlin to go to the Arena Operators Level 1 course at no cost to the Town".

RE: **Pesticide Applicator Course**

ISSUE:

Staff is finding it difficult to find the time to prepare for the pesticide applicator course exam.

BACKGROUND:

Administration was approved to purchase the Sask Polytech Pesticide Applicator course in April for both Alyshia Neuman and Melvin Strand and exams must be completed before October 31, 2021.

ALTERNATIVES:

- 1) Council can approve administration to schedule Alyshia Neuman to work from home September 6 - September 10 and Melvin Strand September 13-September 17.
- 2) Council can deny the request from administration.

FINANCIAL IMPLICATIONS:

None currently

ANALYSIS:

With the allotted time from home to allow for no distraction's administration feels confident this will aid in the completion of the pesticide applicator course at home study guide and will help prepare for the exam.

ADMINISTRATIVE RECOMMENDATION(S):

"THAT Alyshia Neuman be able to work from home September 6 - 10 and Melvin Strand be able to work from home September 13-17 to prepare and take exam for the Sask Polytech Pesticide applicator course.

RE: **List of Lands in Arrears**

ISSUE:

- 2020 Tax Arrears
- Attached – List of Lands in Arrears

BACKGROUND:

Annually (no later than November 15), the treasurer must prepare a list of lands on which the taxes have been in arrears. Property taxes are in arrears if they are outstanding after December 31.

Council may exercise discretionary authority to exclude properties from the tax enforcement list if the arrears are less than $\frac{1}{2}$ of the previous years levy. The levy for hail tax is considered as part of the previous year levy. The resolution should be passed early enough to enable the treasurer to meet the deadline to present the list to the head of council. If a resolution is passed, all affected properties must be excluded from the list.

A resolution acknowledging the list as presented to the head of council could be passed at a council meeting.

ALTERNATIVES:

- 1) Resolution to acknowledge the List of Lands in Arrears
- 2) Resolution to exclude those properties highlighted in “yellow”

FINANCIAL IMPLICATIONS:

Tax Enforcement amounts for advertising (one issue of the newspaper) and isc fees tax liens/titles. These amounts are added to the related properties.

ANALYSIS:

ADMINISTRATIVE RECOMMENDATION(S):

- That the List of Lands in Arrears be acknowledged;
And further, those properties that are less than $\frac{1}{2}$ of the previous years levy be excluded from the tax enforcement list.
