

Town of Wadena

Mayor + Council

I Am writing this with regards to a lot that I have owned for some time I have been having bad luck lately with Quill Lake Flooding My 1/2 section with no crops or income

I am a senior with basic pension so not enough to carry the extra load so I am turning my lots over

Lot 10

Block 23

Plan G 320

1/2 Lot shared with Ruth ELLIOTT

Legal Description 923 G 320

I am not proud^{to} do this but everything is going up with cost of living

Town can assume title change

Thanks Wayne Peace
