

District Board of Revision  
c/o Box 130  
Hendon, Saskatchewan  
S0E 0X0

March 2019

All Participating Parties  
District Board of Revision Agreement  
RE: Appendix A

A vote was conducted by your appointee on November 30, 2018 regarding an increase to the yearly levy. Please see November 30, 2018 adopted minutes which have been included.

For the last 20+ years the levy has remained at \$200. With the board operating according to legislation we have been holding meetings twice a year. These meetings have had great benefit to the appointees and have kept the parties informed of happenings.

The vote was to increase the yearly levy to \$500. The increase in levy means no invoices for meetings held. These levy amounts are to only be used for meeting expenses. Having said that, what this means is that invoices will be only be issued for yearly levy amount and any appeals you may have.

If you have any questions, please feel free to speak to your appointee, the secretary of the board or myself.

Sincerely,

Rick Radom, Chairman  
District Board of Revision
