

This e-mail is a request for a group rate for the swimming pool this summer for the people we support at MDSI and staff to accompany them. We support 30 people with intellectual disabilities that utilize the swimming pool. Sometimes, they use the pool in the evenings as a house activity, and there are times that we take them for public swimming in the afternoons during the week. Staff are necessary to assist them in dressing and safety in the pool. We would like to know if there could be a discounted rate for us to utilize the pool as a group. Thank you.
