
Director of Parks and Recreation “Working hard so you can play”

March 19, 2019 REPORT

- We have received a Grant through Canadian Parks and Recreation Association for one student. This grant will cover 50% of the students wage for the summer.
- Working on quotes for additional items after our budget meeting.
- Ice season is winding down. With a few carded teams still playing and some windups.
- We have a bid in to host one provincial ball tournament to date.
- Dressing rooms near completion. With bathroom partitions being installed and hooks being installed.
