Good afternoon,

My clients Michelle Mansuy and Ashley Kolach have an agreement to purchase Block Q Plan 69H03714 Extension 0 from Novacor Holdings Inc. They would like to request that the Town amend its bylawys such that they be permitted to have a horse on this property. They note that there are no lots serviced by water on the adjacent street and that the land is already zoned as "other agricultural".

I look forward to hearing from you,

Amber Biemans
