Subject: EMO Mutual Aid plan
Date: Saturday, March 30, 2019 4:17:31 PM

Hi Jennifer

I need to pass along a message to Wadena Town Council.

On Thursday
March 28, 2019

a special meeting was held here in Wadena to begin the process of establishing a Regional Mutual Aid plan for our area.

We had representation from Quill Lake, RM of Elfross, RM of Lakeside, RM of Lakeview, Margo, Elfros, Fishing Lake FN, RM of Invermay and Kelvington.

This meeting was facilitated by our Emergency Service Officer, Heather Scheidt, of Public Safety

.

The next step in the process is for Scheidt to visit all locations and assess their needs. Once that is complete she will suggest a couple of templates that would be good fits for our area. It will be then up to us to debate / negotiate how we choose to work with our neighbors

.

This phase has two sides. The Emergency Planning side and the Legislative Side.

I will be representing Wadena on the Emergency Planning side but Council will have to name someone for the legislative side. This is not an option, as nothing happens until all parties agree and enact legislation to make it work.

The next Regional Mutual Aid meeting will take place in Wadena on Thursday
September 26, 2019
at 18:00 hrs. Immediately following our regular EMO meeting at 17:00 hrs.

Please let me know who you choose as soon as possible so that I might bring them up to speed.
