
Director of Parks and Recreation “Working hard so you can play”

June 3, 2019 REPORT

- Staff have been busy cutting grass over the last couple of weeks. As well as spraying for dandelions.
- Staff have been busy getting the pool ready to open on June 3, 2019. We received our license to operate.
- We received no tenders for the arena concession.
- We will complete the hall floors this week. Stage and wood floor are done.
- HVAC Regina was out to fire up the boiler. I had to call them back as it did not work for longer than a half hour. Hoping they rectify the problem today May 31, 2019.
- Mayor Linnen and Councilor Sobchyshyn and I met with Pat Casement to discuss Wadena Players Theatre concerns.
