Attention: Town of Wadena

Shamrock Horticultural Society ( Foam Lake and Wadena group) is hosting the Saskatchewan Horticultural Association summer Bus Tour on July 15 around the Quill Lakes, Foam Lake, Fishing Lake and Wadena. The Provincial Association is a non-profit body that serves to coordinate the local societies all over the province. The 3 day Bus Tour aims to break-even so that an interesting tour is affordable for many people. Each year we have members and guests from Alberta, Saskatchewan and Manitoba exploring a different area of Saskatchewan. We expect to have over 50 people on tour.

This year we are contacting organizations and corporations with several requests to sponsor our tour. We hope you are able to participate. Are you able to give towards any of the following?

1. Financial Donations towards the meals planned by Shamrock Hort. Society in Foam Lake— luncheon with a plant activity project, and Wadena--heritage supper at the museum grounds.
2. Raffle prizes or gift certificates used to fund raise for additional expenses
3. Promotional items for gift bags given to the participants (54 on bus and 26 local members 80 items)

Thank you for consideration of our request. Your generosity is greatly appreciated.

Local contact :name Sheila Glennie phone 338-7304 can pickup your donation or contact:
