

## ***Animal Control Monthly Report***

***for Nov 2021***

### ***Summary***

#### **Cats**

Received a call from [REDACTED] ref stray kitten- picked up.

#### **Dogs**

**Nov 2-** Two complaints re [REDACTED] dog straying onto their properties and defecating. Called on [REDACTED] and saw her dog running around the street and on other people's property. She became aggressive when asked to keep the dog under control. Fined [REDACTED] issued for dog at large and not on a leash in a public space.

**Nov 4-** Call received about an injured dog. Picked up dog- pelvis was broken probably due to hit and run. No tags- no microchip, no one claimed the dog. Took to vets for x rays and medication. Spent days doing physio the dog can no walk and will be up for adoption.

Note: Relatively quiet month for Wadena although the cat population seems to be rising again.
