Dear Collector,

Your copy of Payment Notice #2 is attached. The Notice includes a new Appendix 4 for updated rates payable to collectors that became effective January 1, 2022.

This Notice automatically updates and replaces your existing Appendix 4. There is no action for you to take and no signatures are required. We encourage you to file this document with your existing MMSW Services Agreement.

As per section 4.4.5 of the Waste Packaging and Paper (WPP) Stewardship Plan, the payment rates are based on accounting cost studies conducted periodically by MMSW. This payment reflects the final phased increase from the implementation of the 2019 cost study.

For more information on new payment rates, please save the date for our upcoming webinar to be held **May 19, 2022, at 10:00 am CST**. Watch for a webinar invitation coming soon.

Please contact Kelly Goyer, MMSW Director of Field Services, with any questions or should you require further information: [kgoyer@multimaterialsw.ca](mailto:kgoyer@multimaterialsw.ca) or 306-370-6407.

**With kindest regards and appreciation,**

**Kelly G. Goyer**
